

Assalamu Alaikum everyone,

I wanted to share the letter that was sent to the parents and students to support our African American brothers and sisters. In addition to some videos that our teachers shared and with our students and parents, encouraging them to share with the family.

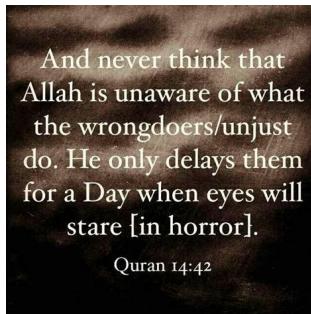

Dear AIS Families,

Assalam Alaikum,

We strongly condemn the actions and brutality of the Police in the death of George Floyd and the deaths of other victims.

Alhuda Islamic School stands strong in solidarity with our African American brothers and sisters, we stand by you in your continuous struggle to bring justice.

We pray for peace to the families of the victims from police brutality and unprovoked racists actions in this country, May Allah bring justice and tranquility to the lives of all families who have been afflicted by injustice. Al-Huda Islamic School is grieving with you.

Stay Safe,
