AWARDED TOP STEM HIGH SCHOOL: Newsweek and Stem.org analyzed 30,000 schools across the country over the course of 3 years to decide which ones had the strongest science, technology, engineering and math programs and opportunities for students. Only a fraction met the qualifications. AQSA SCHOOL is proud to be named a TOP STEM HIGH SCHOOL and to be placed in the top 11% of all schools reviewed!

Aqsa School's student to teacher ratio is ideal for individualized learning and truly knowing each student and their strengths and needs. Teachers have a great deal of flexibility to be creative with lesson planning and curriculum guidance. The environment is warm and nurturing to staff and students.
