Every year Aisha and Khadijah wait for Ramadan excitedly. This year Khadijah did not go to school on the first days of Ramadan. Aisha was worried about her friend Khadijah because she was calling her but she was not answering. After few days, Khadijah came to school, but she didn't tell Aisha anything in order not to make her sad. During the recess, Aisha was searching for her friend Khadijah. While going to the class to check for her, Aisha heard Khadijah telling the teacher about her dad. Her dad needed an urgent surgery, but they didn't have enough money.

Khadijah was crying a lot, so Aisha felt to sad for her. After that, Aisha talked to her teacher about helping Khadija and her dad. The teacher and Aisha decided to inform all the learners and ask them if they can help Khadijah in these blessed days. They started thinking about a solution for the problem of Khadija, but no one told her. Khadijah was coming to school so sad and staying alone all the time in her class. She spent all the nights of Ramadan asking God to help her and save her dad. During few weeks the parents of the learners gave their ZAKAH to the school to help the father of Khadijah.

Meet Khadijah :
Khadijah is sad because her father is sick and they don't have enough money to help her da and to pay for the hospital. She is thinking how can she help her dad!

Oh Father! I am very sad because we do not have enough money. I will pray for God to save and help us.

Khadijah is asking God to help her so her dad becomes better.

They gave the money to the teacher, and then the teacher went to the hospital to pay the money. The father did the surgery and he was recovering during the last days of Ramadan. Khadijah asked the teacher how did they pay the money and then the teacher told her what happened.

Khadijah felt so happy and she thanked her friends, Aisha and her teacher for helping her and saving the life of her dad.

At the end Aisha and Khadijah celebrated the Eid together happily.
