Logging in into Canva

If you don't already have a Canva account associated with your school email address:

Option A

- 1 Go to www.canva.com and click Log in.
- 2 Enter your district email address in the Email/Cell field.
- 3 Click Continue.
- 4 Log in with your district login credentials. Your Canva account will be created and you'll be making Canva designs in no time!

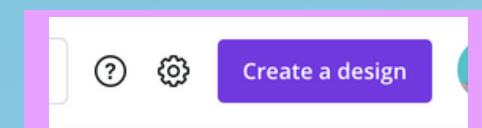

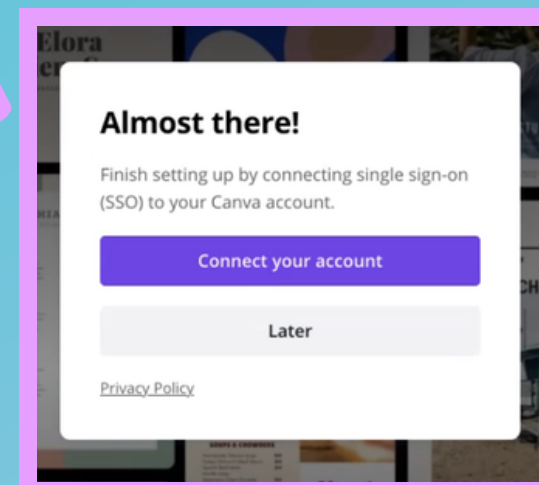

If you do already have a Canva account associated with your school email address:

Option B

- 1 You will be asked to log in again. Canva needs you to log into your "old" account so that it can connect your existing Canva account to the district's Canva implementation. Log in however you have historically logged in to Canva: with Google, with your original password, etc.
- 2 You will be asked to connect your pre-existing Canva account to your district SSO. Click Connect your account.
- 3 You're good! You will be able to toggle between your pre-existing Canva work and the district team by clicking your photo/initials in the circle at the upper-right corner of the screen (see next page for more info).

Canva

The screenshot displays the Canva website interface, specifically the search results for "customized teaching templates". The left sidebar contains navigation links: Home, Projects, Templates, Brand, Apps, and Classwork. The main content area features a search bar with the query "customized teaching templates" and filters for "Canva Templates", "All Filters", "Category", and "Media". Below the search bar, a section titled "Ready-to-teach lessons" (marked as "New") displays five lesson templates: "Solving Multistep Word Problems", "Dividing Fractions", "Groups and Arrays", "Algebraic Expressions and Inequalities", and "Ve Le". Each template is a colorful, interactive worksheet with various mathematical problems and diagrams. Below this section, a row of other templates is visible, including "Customer Review", "Pink and Cream Illustration Social ...", "Presentation by Canva Creative Studio", "we want your feedback! TAKE THE SURVEY", and "Custom ORDER". The bottom of the page shows a red t-shirt template.

DECIDE Model

Determine the decision

What is it?

Does it require thought?

Does it require help?

Examine ALL options

Positives

Negatives

Consider consequences

Think about the best and worst case scenarios of each option

Identify values

Think about possible influences that may affect the situation

Decide and act

What is the best option

Evaluate the outcome

- ✓ Reflect on the results
- ✓ Evaluate how your choice impacted your health and happiness
- ✓ Consider what you would do differently in the future

Adding videos to Projects

The screenshot displays the Canva web interface. At the top, a navigation bar includes 'Home', 'File', 'Resize', and a 'Share' button with an upload icon, which is highlighted with a red box. On the left, a sidebar lists 'Templates', 'Elements', 'Uploads', 'Text', 'Videos', 'Google Drive', 'Logos', and 'More'. The main workspace shows a design template with a heart icon and the text 'For social media or picture printing' and 'Newsletter, Flier, Poster'. A 'Download' menu is open in the center, listing various formats: 'JPG' (Best for sharing), 'PNG' (SUGGESTED, Best for complex images, illustrations, marked with a checkmark and highlighted with a red box), 'PDF Standard' (Best for documents (and emailing)), 'PDF Print' (Best for printing, highlighted with a red box), 'SVG' (Best for web design and animations), 'MP4 Video' (High quality video), and 'GIF' (Short clip, no sound). To the right, the 'Share this design' panel is visible, featuring a search bar, a '+ Add people' button, a 'Link sharing restricted' section with a dropdown set to 'Only people added', a 'Copy link' button, and a row of sharing options: 'Assignment', 'Google Classroom', 'Microsoft Teams', and 'View-only link'. At the bottom of this panel, a 'Download' button with a download icon is highlighted with a red box, along with 'Share on social', 'Print your design', and 'More' options. A '+ Add page' button is located at the bottom center of the workspace.

Create and Share Folders

Create Classes in Canva?

To collaborate with your classes, create a Group/Class for your class, and then share a folder with that group. In some districts, groups corresponding to your class rosters will be automatically generated.

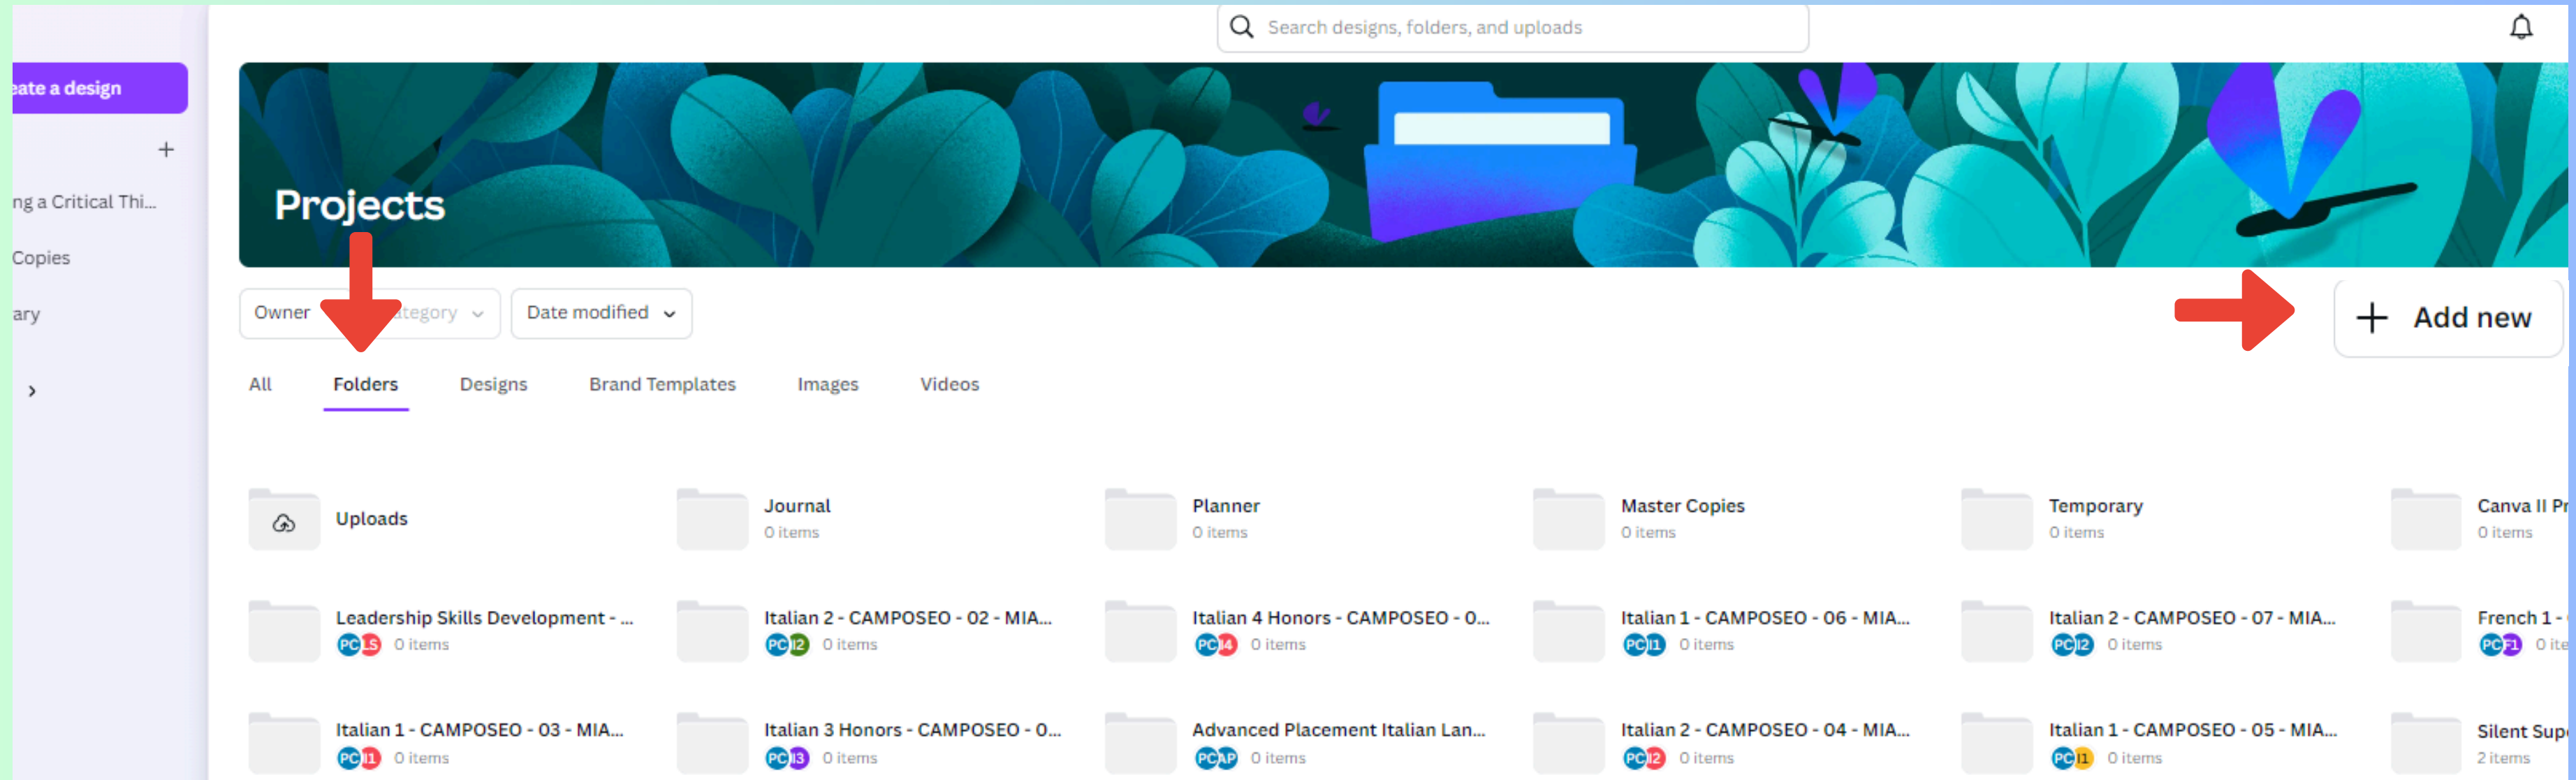

Groups

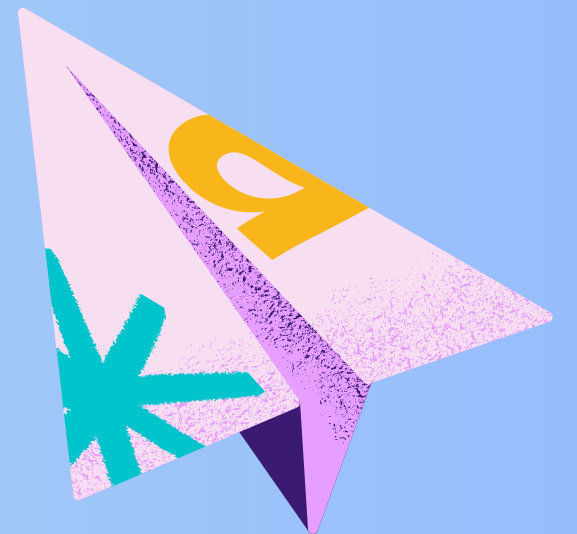

Folders

- 1 Start by creating a class. Click on the **settings gear**, then click **Groups/Classes**, and create a new group/class.
- 2 Create the group by typing the name of each student. If a student doesn't appear, have them first create an account by logging in to Canva.
- 3 Create a folder, name and share it. Determine level of access you want the group to have to designs in the folder.

Stay Organized!

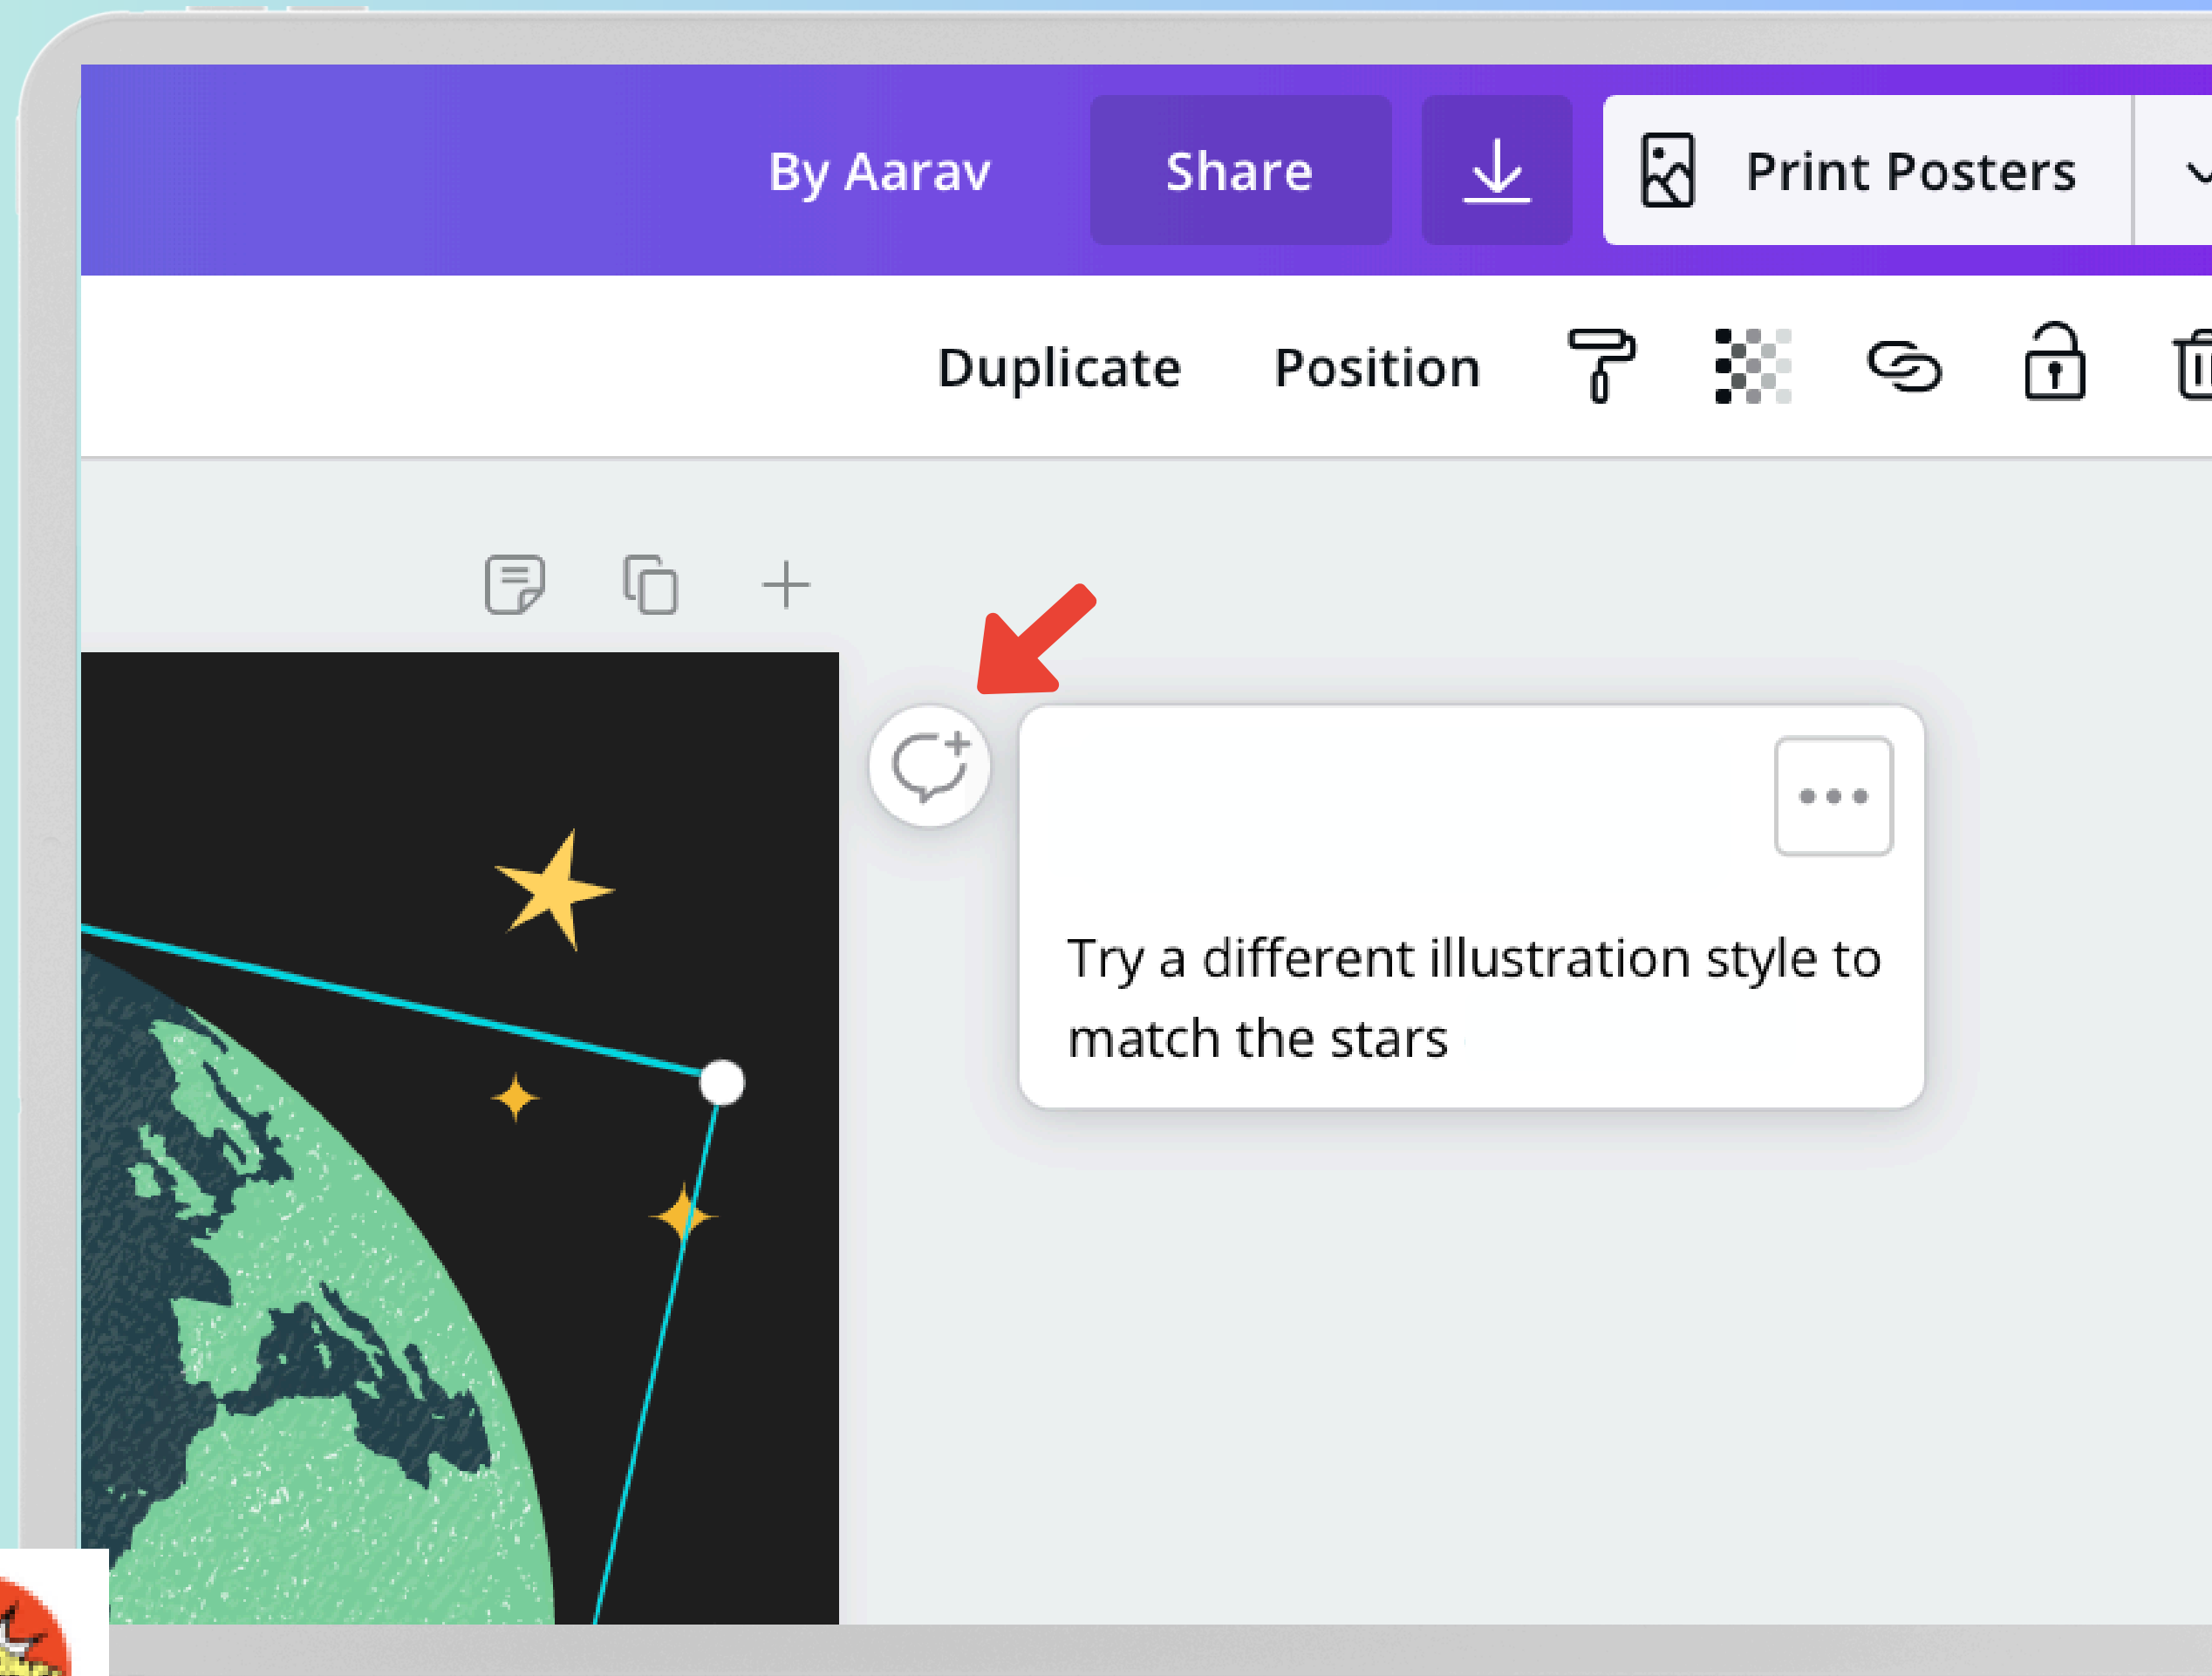

Publishing, Collaborating, and Sharing

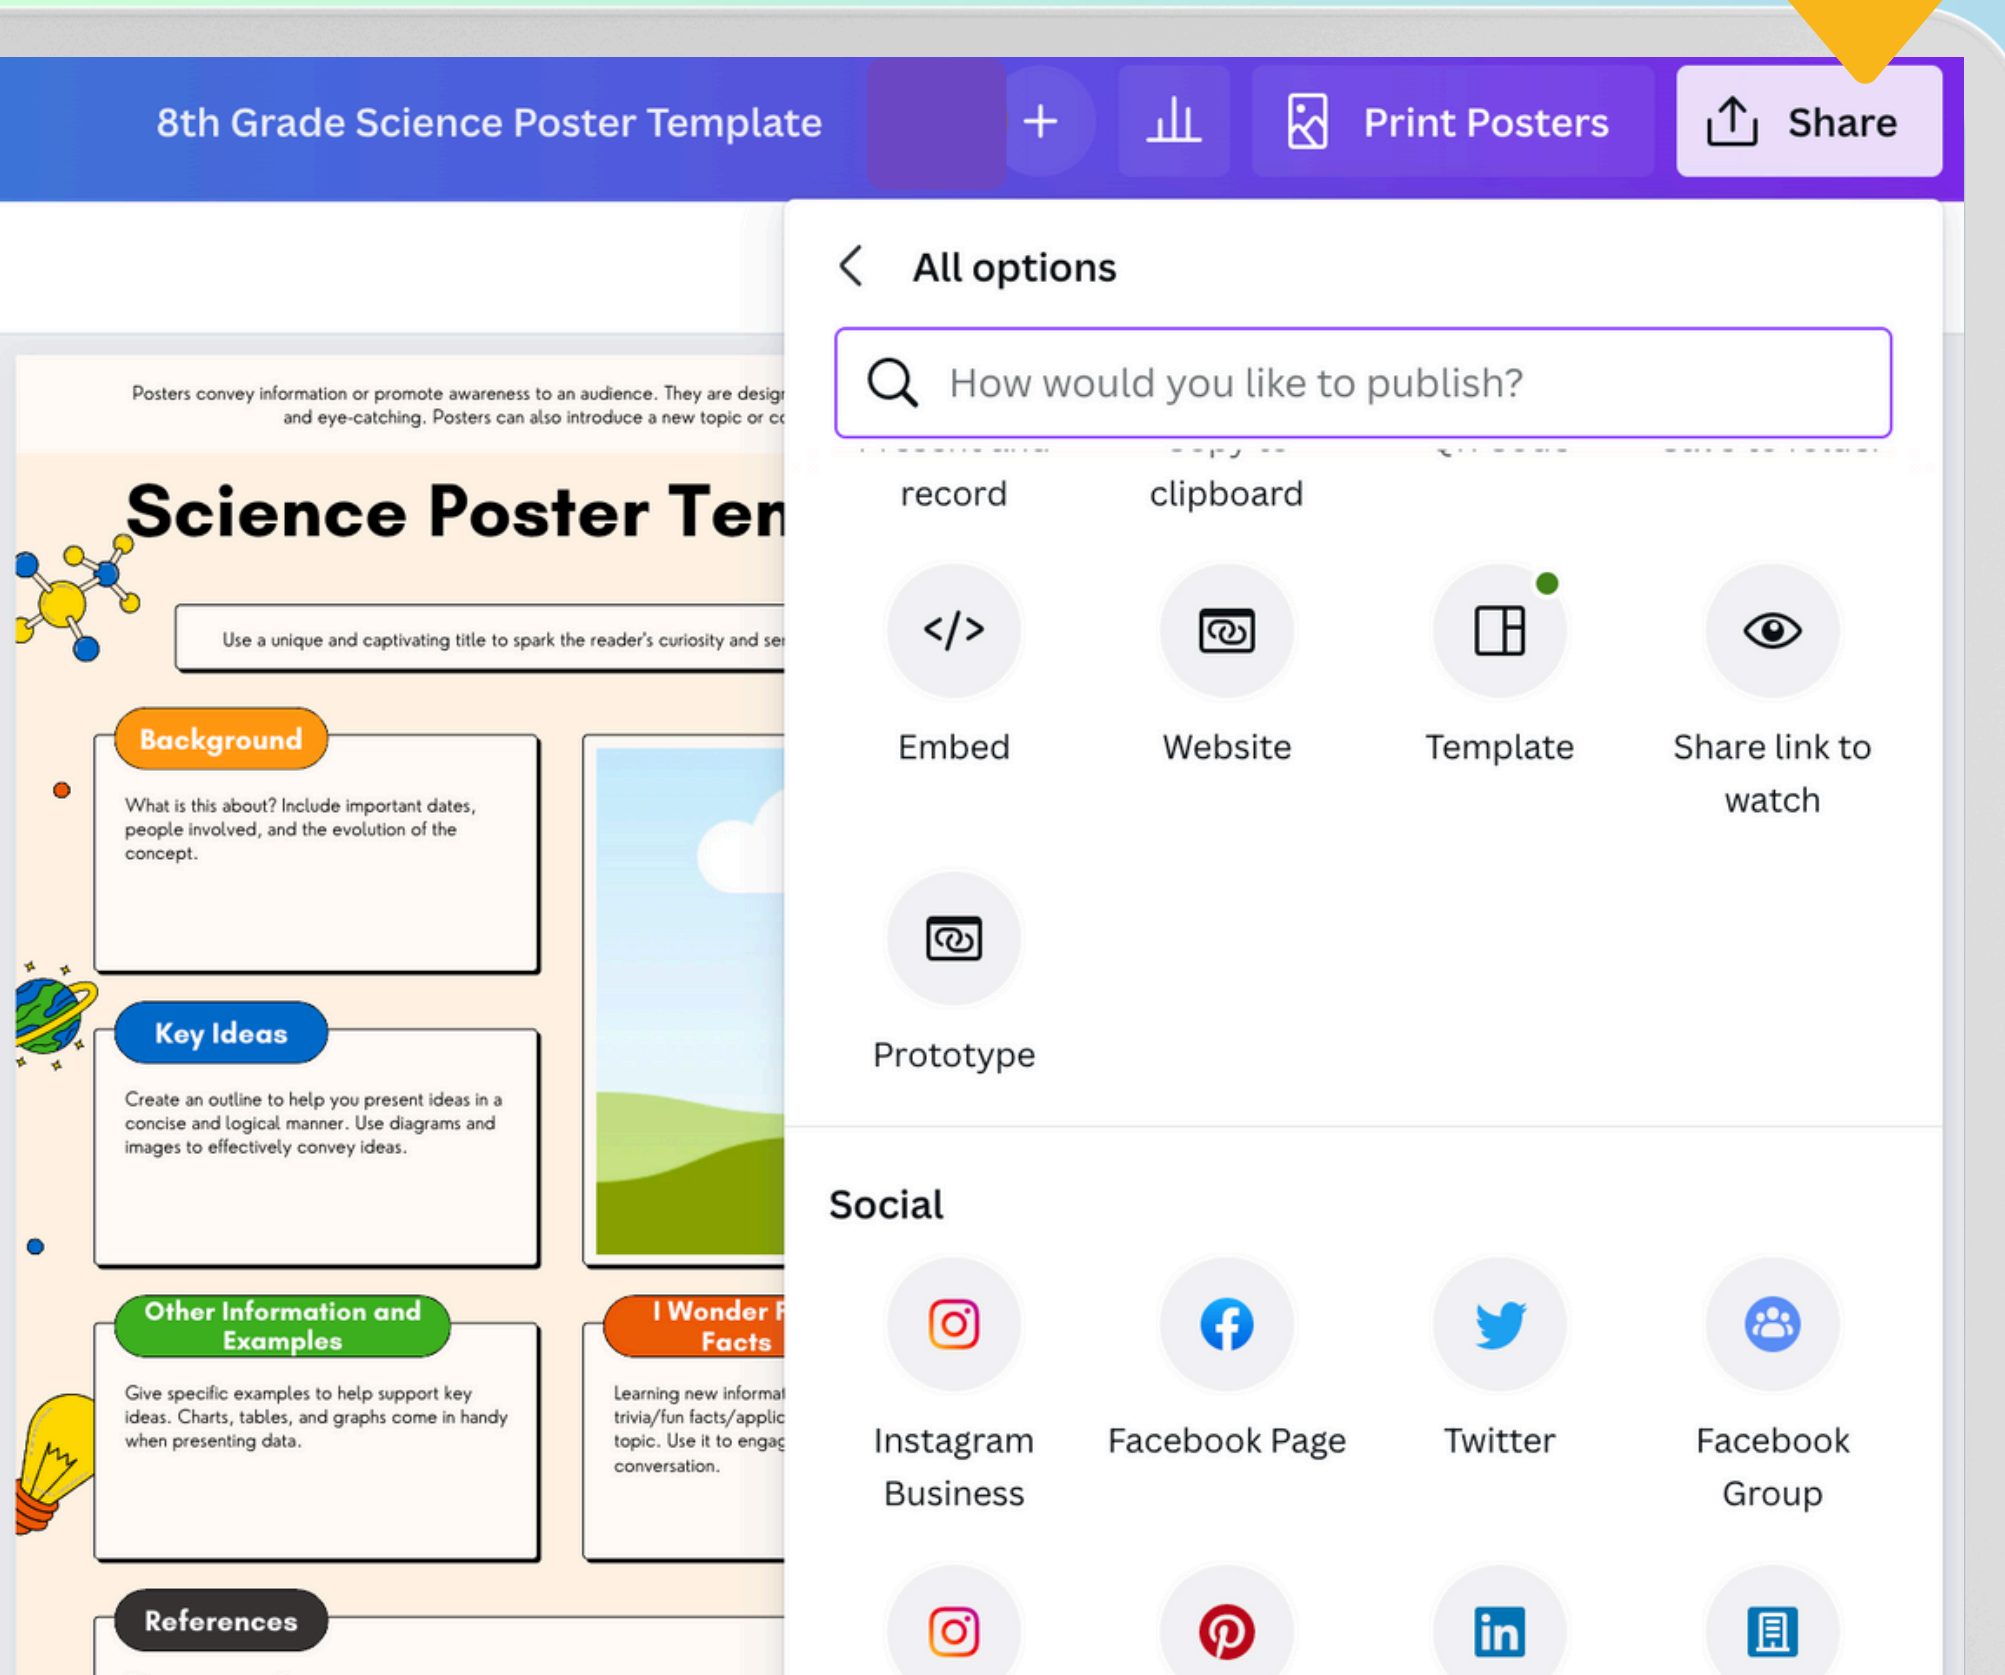

Comment on Designs

You can comment on any element in a design and tag someone in a comment to notify them and allow them to respond.

- 1 Select an element in your design.
- 2 Click Add comment button on the right.
- 3 Type comment or @mention a collaborator.
- 4 You can add stickers to your Canva comments!

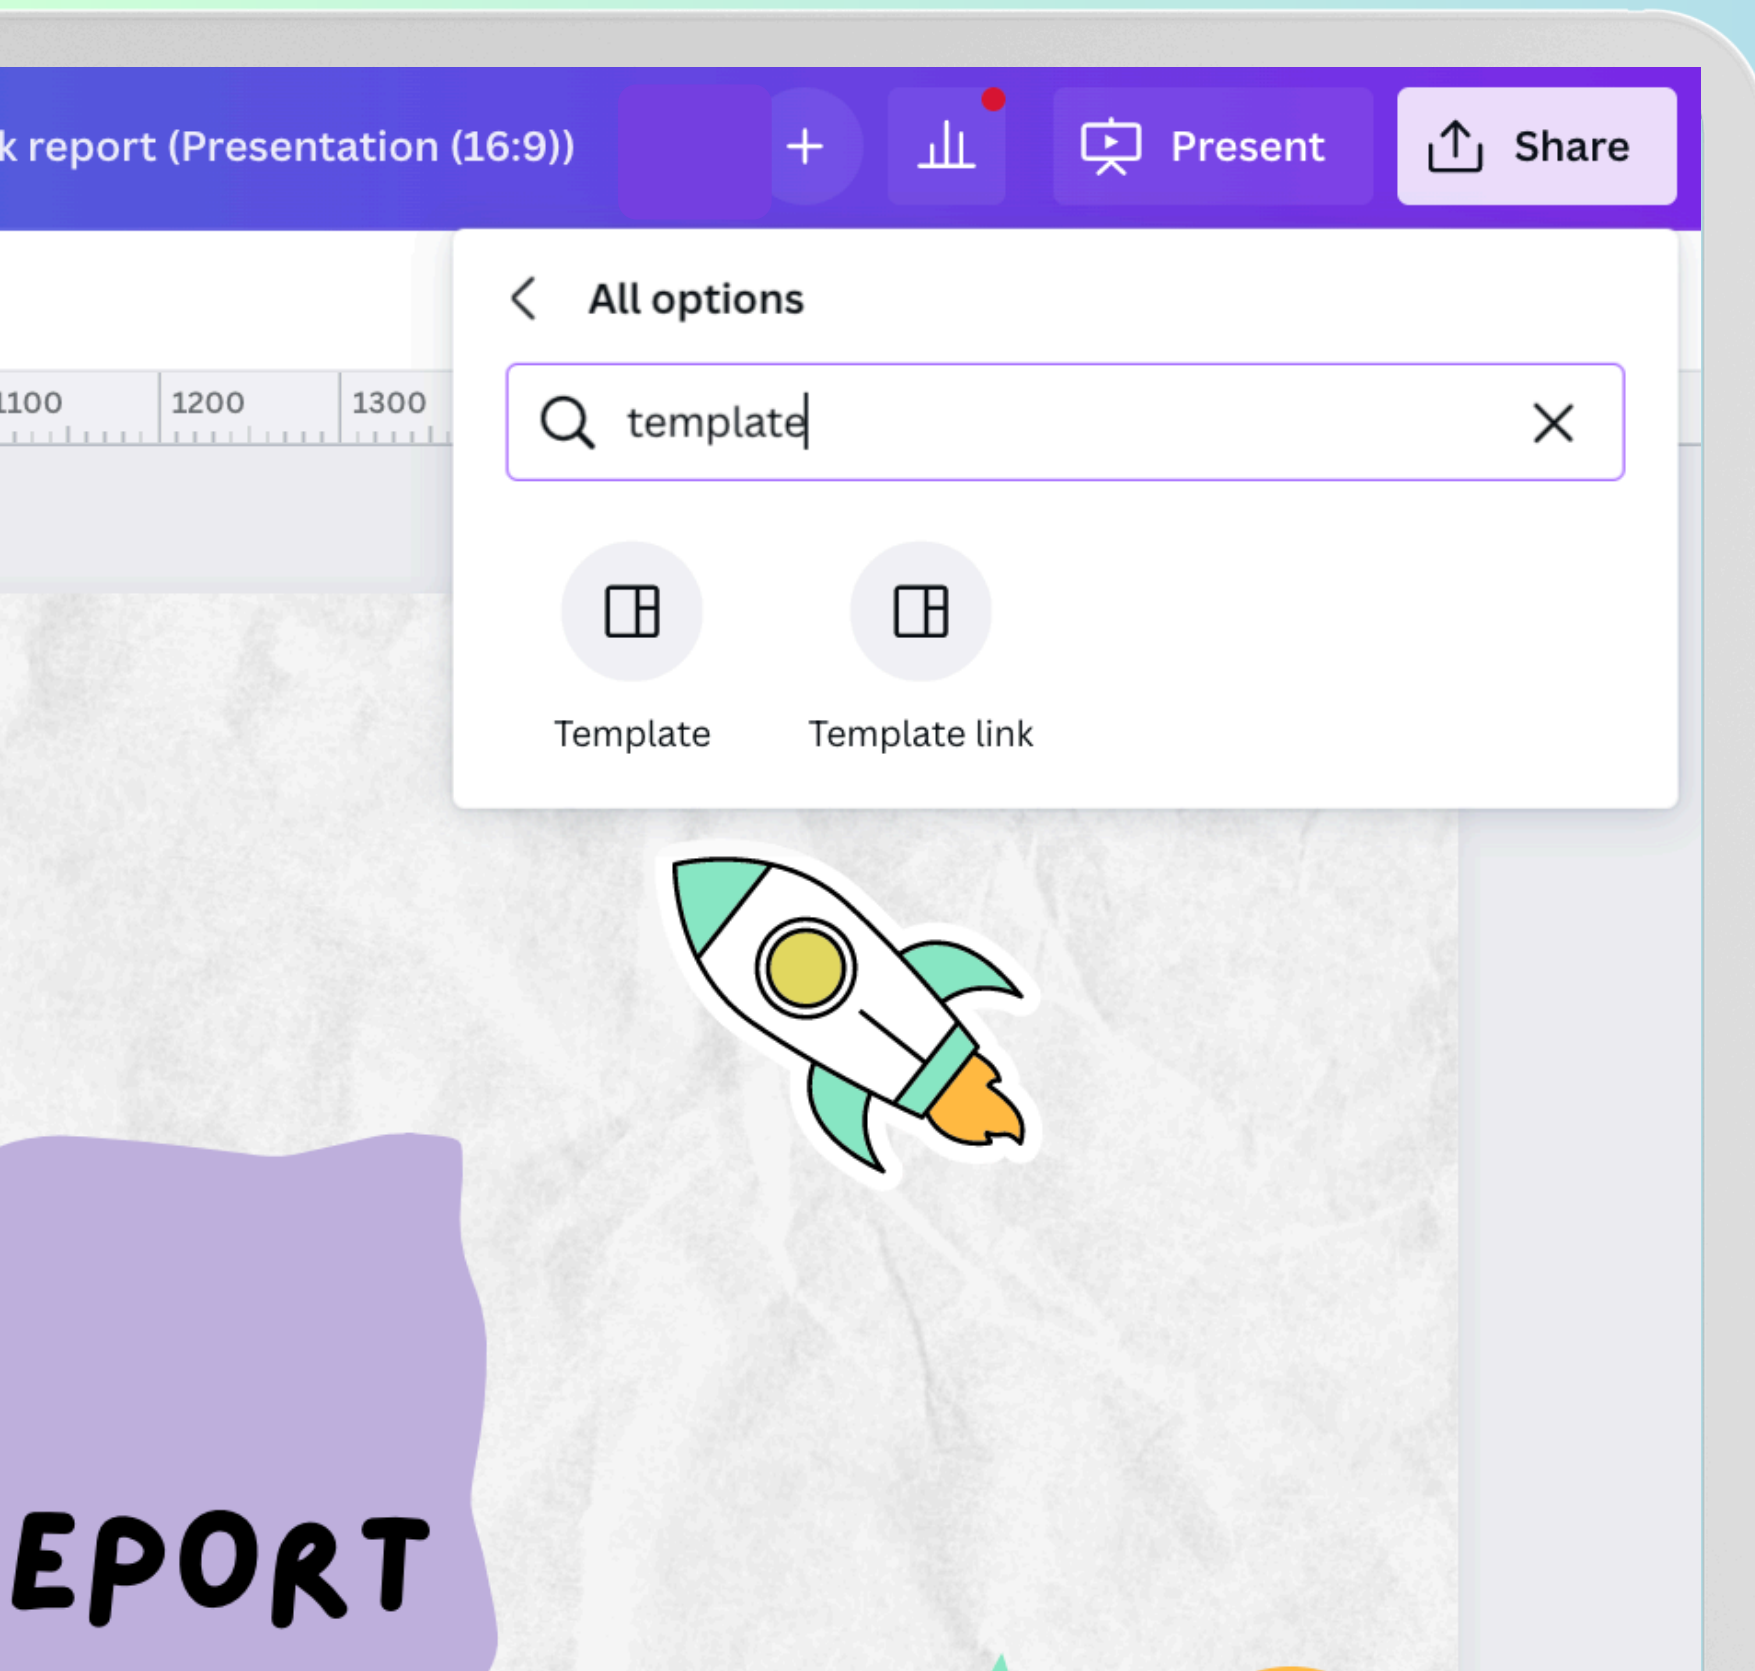

Publish Your Designs

- Use the Share menu to publish your design.
- Present and record.
- Make sure to click "More" if you don't see the option you are looking for.

Publish as Template or Template Link

This option allows others to make a copy of your design without changing the original

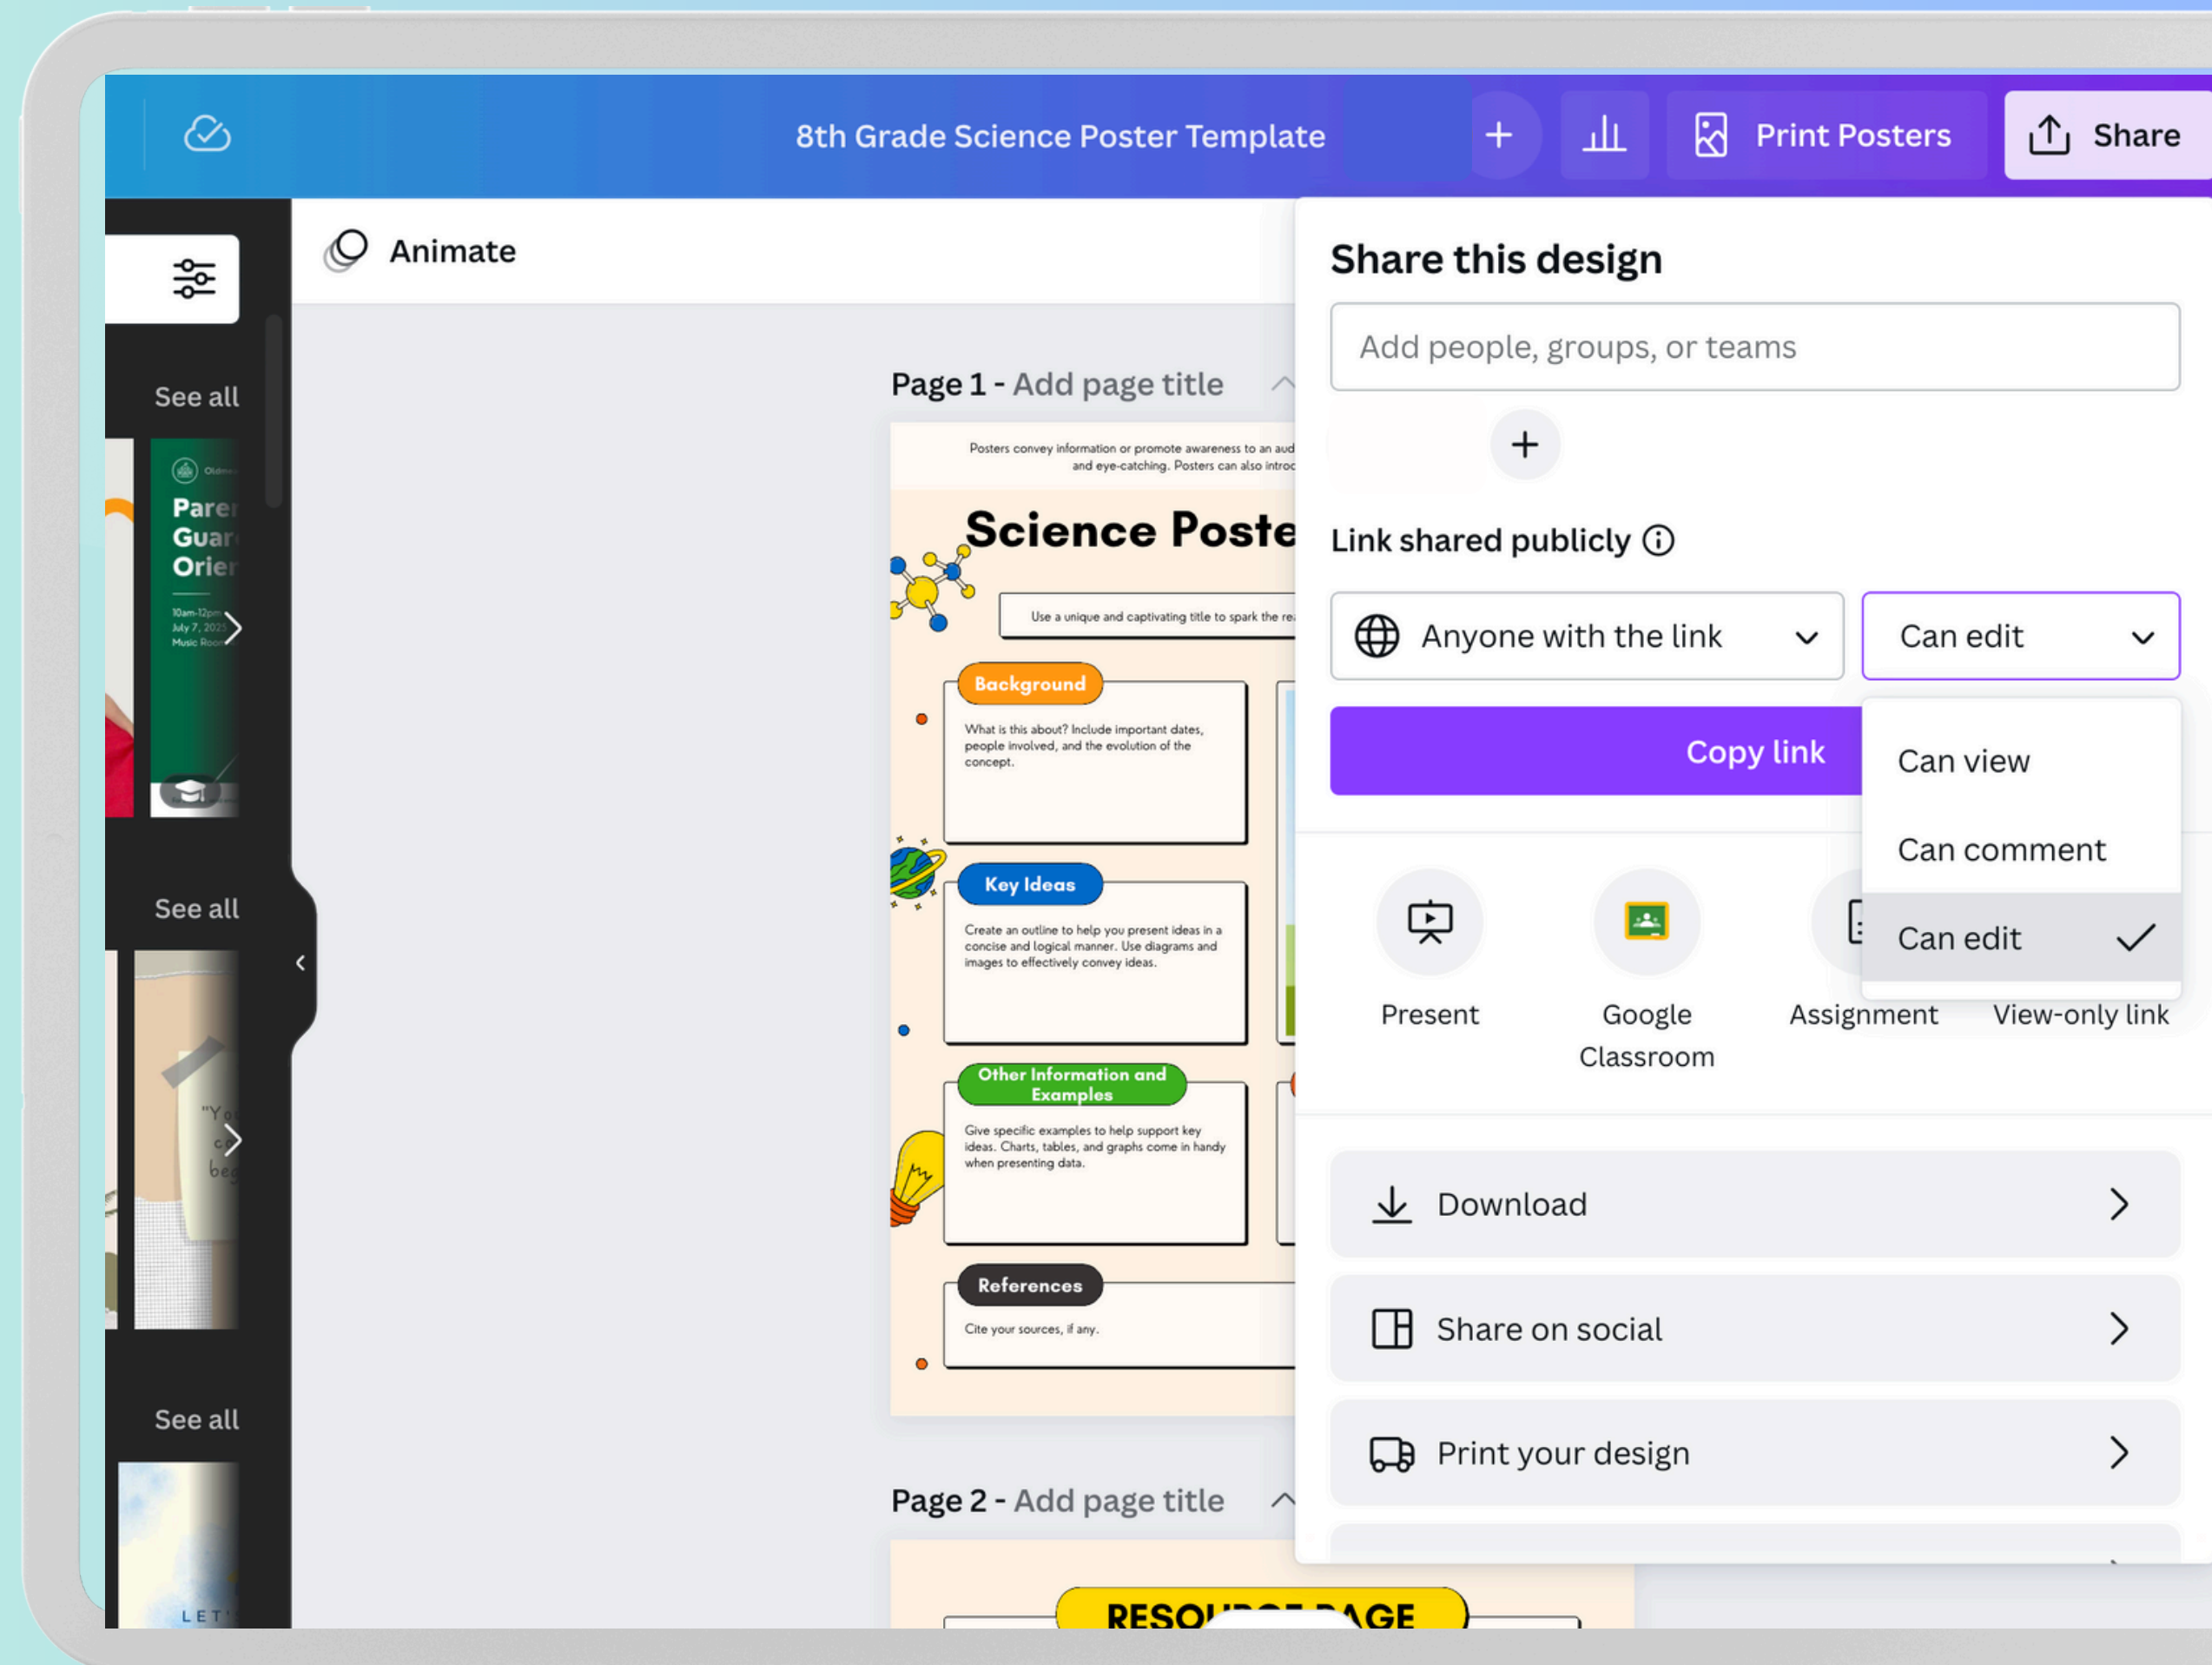

- 1 Click the "Share" button in the top right corner.
- 2 Click More at the bottom of the dropdown. Search for "template"
- 3 To save as a template, stored in a folder in Canva and usable to those who have access to that folder in Canva, click Template and select a folder to save it to.

To share as a template link, so that anyone who receives and clicks the link can use the template, click Template link.

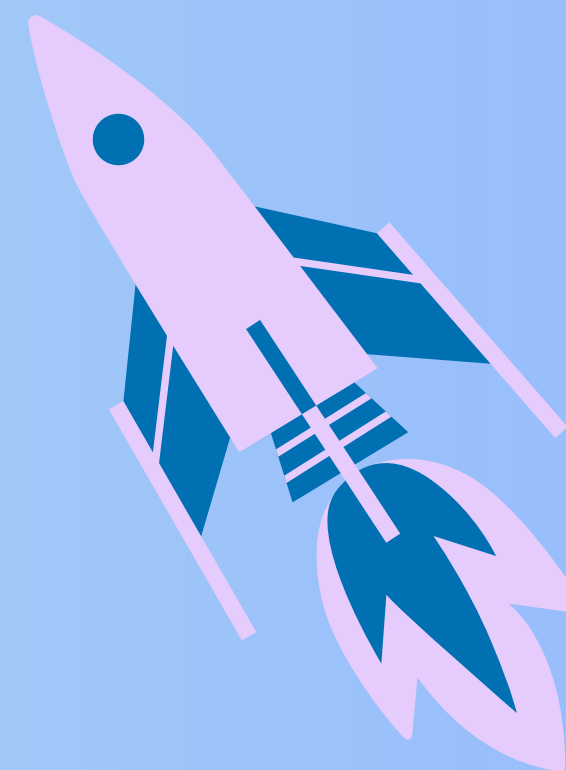

Share a link

Use the **Share** menu whether sharing with individuals or groups. There are four options:

- 1 Share link to **view**
- 2 Share link to **edit**
- 3 Share link to **comment**
- 4 You can also share link to use as **template**- i.e. others can make a copy of the work you share and edit it. We will cover this in a later slide.
